

**Memorandum of Agreement**  
**Defense Automation and Production Service (DAPS)**  
**Certification for Inclusion in Existing Consolidated Unit**  
Case No. WA-RP-09-0015  
63 FLRA No. 136

The parties agree that based on the issuance of the above-referenced decision by the Federal Labor Relations Authority Regional Director, June 26, 2009, that the Master Labor Agreement (MLA) between Defense Logistics Agency (DLA) Headquarters and American Federation of Government Employees (AFGE) Council 169 applies immediately to the DAPS locations represented by AFGE.

The parties also agree that they will expeditiously decide on LOCNOP coverage for DAPS employees. In the interim, existing practices regarding those topics that are appropriate for inclusion in a DAPS AFGE LOCNOP will remain in effect, to the extent they are consistent with the MLA, until such time as the DAPS LOCNOPS are approved and effective.
