

Cumberland County Job Fair - Camp Hill, PA

More than 1,000 job seekers from Pennsylvania, Maryland and New Jersey attended the June 6th Cumberland County Job Fair sponsored by the Employment Taskforce of Cumberland County Economic Development (CCED).

Sixty-five businesses and organizations participated in this year's Job Fair making it the larger of the two fairs facilitated by CCED to date.

Job seekers took advantage of an increased number of services available at the Job Fair. Over 30 business professionals were on hand to review resumes and cover letters. Dress for Success of South Central PA provided wardrobe advice and were able to fit a number of job seekers with business attire for upcoming interviews. The Cumberland County CareerLink office and representatives from Unemployment Compensation were also on hand to answer career-related questions.
