NEW SCHEDULE FOR OVERSEAS BULLETINS

For the past two years, the DLA Human Resources Centers in New Cumberland, PA and Columbus, OH have been publishing joint Overseas Bulletins for all DLA Overseas employees. These bulletins have been published on a bi-monthly schedule. During this time, we have covered a multitude of topics. In reviewing the bulletins that have been published, we have covered every subject that we feel is important to you our overseas customers. We have also requested your input for future topics that you would like to see covered. We have used your input for several of those bulletins. We have reached a point that we feel that it is no longer necessary to publish the Overseas bulletins as frequently. Beginning next month, we will publish the Overseas bulletins as needed based on new information or changes to existing information/ regulations in the Overseas area.

Attached to this bulletin you will find a list of the Overseas bulletins that have been published. This list includes the topic and the date published. These bulletins can be found on the HR website. The following link is being updated to enable you to access all of these bulletins.

We will continually review this information to ensure that it is kept up to date. If you have any ideas or suggestions for topics to be covered in a future Overseas bulletin, please contact your HR specialist.
