Update to January 2008 Pay Adjustment

The President has signed an Executive Order (EO) dated 4 January 2008 to implement the January 2008 Pay Adjustment. The Executive Order authorizes a 2.5 percent across-the-board increase for non-special salary rate General Schedule (GS) employees and locality pay increases costing approximately 1.0 percent, for an overall average pay increase of 3.5 percent.

The 2008 salary tables have been posted on the Office of Personnel Management's (OPM's) Web site at <http://opm.gov/oca/08tables/index.asp>.

The 2008 pay rates became effective on the first day of the first applicable pay period beginning on or after January 1, 2008 (for DLA serviced employees that was January 6, 2008).

Affected employees are advised to review their Leave and Earnings Statement (LES) for the January 25, 2008, pay date for the applicable salary changes, FEHB premium changes (if applicable), and Dental and/or Vision plan premium changes (if applicable).
