**Personnel Employee Bulletin**

November 2, 2011

**USAJOBS Downtime November 1st  
– Job Opportunity Announcement Closing Date Extension–**

USAJOBS, the Office of Personnel Management (OPM) website used to advertise all Federal job opportunity announcements (JOAs), was down for several hours the evening of Tuesday, November 1st, due to hardware issues.

Because of the unavailability of the USAJOBS system, **DLA is extending the closing date for all vacancy announcements that were previously set to close on Tuesday, November 1st, or Wednesday, November 2nd, to ensure employees have an adequate opportunity to apply. Vacancy announcement extension times will vary depending upon organizational needs.**

If you were affected by the outage, please take this opportunity to login to <http://www.usajobs.gov> to complete your application or job searches.

For additional information, please contact your servicing DLA Human Resources Services office: <http://www.hr.dla.mil/ContactUs/>  
The Personnel Employee Bulletin is normally published the first Wednesday of each month.
